Forecast for Wednesday 07 Apr 2021

Weather: Another cold, clear and frosty start to the day, giving way to a bright and breezy morning with spells of increasingly hazy sunshine, but staying cold in raw northerly winds. Turning cloudier through the afternoon and evening with rain reaching the western summits before midnight.

Chance of cloud free mountain/hill tops above 600m: 90% until after dark.

Visibility: Generally excellent.

Meteorologist's View

The strong winds will ease during the day but continue to bring significant wind chill at all levels throughout the day. Some strong sunshine is possible through the late morning, and sun protection is advised.
